Luxembourg, 24 February 2023

### **CPI PROPERTY GROUP – Improved MSCI ESG Rating**

CPI PROPERTY GROUP (“**CPIPG**”, the “**Company**” or together with its subsidiaries the “**Group**”), a leading owner of income-generating European real estate, is pleased to announce a positive evolution in the Group’s MSCI ESG rating.

In 2023, CPIPG received a rating of **BBB** (on a scale of AAA – CCC) in the MSCI ESG Ratings assessment, an improvement from the previous rating of BB. Key drivers for the higher rating were the larger share of certified green buildings, green leases, and enhanced corporate governance.

“Our MSCI ESG rating reflects the effectiveness of CPIPG’s sustainability strategy and recent positive developments in our Carbon Disclosure Project (CDP) score,” said Petra Hajna, Group Sustainability Officer. “We remain focused on achieving further tangible progress towards our ambitious sustainability targets.”
